

CORONAVIRUS

and the *HANA* community

March 19, 2020

Dear HANA Neighbors:

We wanted to say thank you for supporting the City of Arlington in its efforts to contain and mitigate the spread of Coronavirus (COVID-19). As HANA residents and business owners ourselves, we share your concerns and frustrations stemming from recent restrictions, not to mention the overwhelming amount of news and information to keep track of.

In the coming days and weeks, we encourage you to draw on the strength of the HANA community and continue being great neighbors: Exchange contact information with neighbors, be part of a communication chain, check on elderly neighbors, share resources, pick up groceries for a neighbor, donate your extras to a food bank, donate blood, donate to organizations hit hard by cancellations, or otherwise contribute in a way that makes sense to you.

And if you have questions or need help—any kind of help—ask.

As an organization, HANA's primary goal is to facilitate communication about issues and needs in the community. We hope this compilation of resources helps keep you connected to the people, information, and services you need. We may be "socially distanced" for the time being, but we're all in this together.

Sincerely,

HANA Executive Board

Alicia Grey, President
Derek Carter, Vice President
Don Boxall, Treasurer
Deborah Ray, Secretary

About HANA

HANA is a 501c3 organization that represents neighborhoods located immediately south of downtown Arlington and extending south to Pioneer Parkway. Our purpose is to inform residents about activities and developments that have a direct impact on our lives and our neighborhoods and to help make them a safe, enjoyable place to live, work, and play.
